Title: Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.
As a U.S. Senate candidate in Montana, I'd appreciate prioritizing the Great Burn as roadless wilderness.
Our wilderness is an essential part of our economic strength.
I support that the Hoodoo Roadless Area continue to be managed as Recommended Wilderness.
Montana's competitive advantage is that it has wilderness - but not enough. This could help augment that competitiveness.
Please recognize Cayuse Creek, as well as Kelly Creek and all of its forks as Wild and Scenic rivers.
:)
Appreciate all the hard work!
