Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

I spend as much time as possible hiking and exploring the mountains of our great state. These wild areas must be protected not just for the sake of our public access to them, but for the sake of the wild environment and its inhabitants.
