Comments: Please re-open the Great Burn area for snowmobiling. Use a combination of plan options that allows for snowmobiling in the area until the end of time! There remains no proof that over-the-snow travel harms anything, so our rights to enjoy the use of these PUBLIC lands must not be infringed upon! No animals, are even present in the deep snow in the area where we go. In fact, snowmobiling is a great sport that allows families and friends to enjoy God's creation.
