Comments: I have recently reviewed the released Nez Perce-Clearwater Forest Plan Revision Draft Environmental Impact Statement and Draft Revised Forest Plan. None of the alternatives presented reflect the management I would like to see implemented for the Hoodoo Roadless Area. Please accept these comments into the formal record.

Wilderness is critical wildlife connectivity as well as our way of life and economy.

Nothing to add

I am not familiar with the alternatives under review. But I believe expanding wilderness designation and maintaining WSAs are important.
