Comments: Comments On DEIS and Wild and Scenic Suitability Report

Dear Plan Revision Email Nez Perce Clearwater National Forests,

Hello,

Please continue protection for all 89 streams that you determined eligible for Wild and Scenic designation in the new forest plan.

I am in strong support of their suitability for designation. My interest in wild rivers is not met or even considered by the Draft Plan in any alternative, which I find disappointing. Even the best alternative removes eligibility protections from over half of the streams you've found eligible, and thus the range of alternatives is too narrow and unacceptable.

Thank you for your time and consideration.

Sincerely,

Brett Stevenson
