Comments: Nez Perce-Clearwater Plan Revision Comment

Thank you for the opportunity to comment on the Nez Perce-Clearwater Draft EIS.

As a mountain biker AND responsible and respectful steward of our public lands, I am requesting the following:

- * Maintain bicycle access to the State Line Trail (Trail 738) through the Nez Perce-Clearwater National Forest and restore access to miles 20-27, where it was recently closed.
- * Maintain mountain bike access to the State Line Trail by existing singletrack routes

I appreciate the chance to voice a vote for mountain bike access in the Nez Perce-Clearwater National Forest.

Thank you

Seth Jarsky
