Comments: Comments On DEIS and Wild and Scenic Suitability Report

Dear Plan Revision Email Nez Perce Clearwater National Forests,

Hello! I am writing to ask that each of the 89 streams eligible for Wild and Scenic designation remain protected!!!!

Wild rivers must be considered by the Draft Plan for the highest protection. Even the best alternative removes eligibility protections from over half of the streams you've found eligible, and thus the range of alternatives is too narrow.

Thank you for considering these comments. Keep Idaho beautiful and uncontaminated.

Sincerely,

Lisa Peterson
