Comments: Comments On DEIS and Wild and Scenic Suitability Report

Dear Plan Revision Email Nez Perce Clearwater National Forests,

I am writing to ask that all 89 streams that you have found eligible for Wild and Scenic designation remain protected as eligible in the new forest plan, and to voice support for their suitability for designation. My interest in wild rivers is not met or even considered by the Draft Plan in any alternative. Even the best alternative removes eligibility protections from over half of the streams you've found eligible, and thus the range of alternatives is too narrow.

Idaho is my favorite place to paddle. Nowhere else comes close to reaching its quality of wilderness, scenery and whitewater. Protecting those features that make Idaho so great (access, water quality, undeveloped land) provide huge value to the American people.

Thank you for considering these comments.

Sincerely,

Caleb Fujimori
