First name: Jo

Last name: Heinlein

Organization: CDOT

Title: Access Manager

Comments: CDOT Access Management, a division of CDOT Traffic & Safety, comments that an access permit will need to be obtained for the access location(s) on State Highway 160.

CDOT Region 5 Survey Unit comments that a Professional Land Surveyor should be responsible for the location and staking of any adjacent right of way lines, and monuments, along with fencing, must be protected at all costs.
