Comments: RE: Lutsen Mountains Ski Area Expansion Project

To Who it may concern:

I am in favor of this great project for Northern MN. Lutsen continues to do a great job with our natural resources, provides much needed jobs on the north shore and healthy outdoor recreation opportunities for the surrounding area. Lutsen is a gem along our north shore.

This is a much needed expansion and consistent with what is allowed in western states. We should be all in on wonderful projects such as this.

Thank you.
