Comments: Hello,

My family has very deep ties to the Lutsen Mountains ski area, and I was wondering how the new terrain was going to be named. I'd love to be able to name a run in the name of my family due to their rich and valuable history in the resort's ski school, if the naming is to be open to the public, that is. My grandfather directed the ski school for a period of time in the late 1980s and early 1990s, and my uncle and father both instructed there.

Thank you for your time,

Kade Borson
