Comments: I support the proposed expansion to Lutsen ski area. Having a legit ski destination where a family can take a real ski trip without having to go West is very important to me and my family. I take my family on a trip to lutsen every year and for approximately \$2500 we get what I feel is an equivalent ski vacation that would cost at minimum 3X that amount if we stayed at similar lodging at a CO, WY or MT resort (ski in/ski out townhome to comfortably accommodate my family of 6), not to mention that it is an easy 6 hr drive instead of 14+ or the expense of flying. Efforts to further enhance the destination would be excellent.
