Comments: I would like to comment on the Lutsen Mountains ski area expansion. I am opposed to this proposal. I would like to keep Moose Mountain as a back country ski area. If Lutsen were allowed to expand into the area that availability would be eliminated and one would have to travel to Upper Michigan in order to do so. Lutsen should just charge back country skiers to use their chair lift for access if they do not want to skin up the mountain. I would encourage you to look at the Superior Highlands proposal for back country skiing instead. Thanks for your consideration
