Organization: State Historic Preservation Office

Title: Review and Compliance Officer

Comments: In sections 3.9.4.3 It is unclear if the Section 106 of the National Historic Preservation Act (NHPA) has been completed for this undertaking. Has the State Historic Preservation Office concurred on your finding of No Adverse Effect, due to the redesign measures discussed in 3.9.4.3? The NHPA regulations, as interpreted by the Advisory Council on Historic Preservation, require that the Section 106 process be completed Before NEPA documents are signed/finalized.

Thank you for your work to protect cultural resources.
