Comments: I completely support the expansion project that Lutsen is requesting. Everything Lutsen has done over the years has enhanced their customers experience and they have become one of the largest employers in Cook County. The only thing I would like to see is the first jobs available go to local residents and limit or eliminate the foreign exchange employee program, there seems to be a fairly high unemployment rate on the Northshore and these jobs could make a huge difference in people staying in Cook County rather than moving away.
