Comments: I greatly appreciate and strongly support this Special Order for the Wildwood Parcel #58157. The Northstar Nature Preserve had long been managed as wildlife sanctuary to protect its rich biodiversity of plant, bird, mammal and other species. In more recent years easy access to the Roaring Fork River has attracted both planned and spontaneous gatherings of scores and at time hundreds of people, playing and partying in all manner of water craft with bottles and cans of alcoholic beverages. This Special Order harmonizes the joint efforts of Pitkin County Open Space & Trails and the United States Forest Service to co-manage this treasured preserve in a way that manages traffic and parking, prohibits dogs and glass bottles, and reduces the impacts of those there to party. Thanks you for approving, adopting, implementing and enforcing this Special Order.
