Subject: Comments on the Lutsen Mountains Ski Area Expansion Project

Dear Ms. Cummins,

I work as an independent contractor with the Small Business Development Center through the Northland Foundation as well as the Cook County Grand Marais Economic Development Authority. For the past five years I have seen our population grow older and the impact it has on our economic vitality. I support expanding Lutsen Mountains. Expansion will spur both other economic opportunities here in Cook County as well as entice a younger generation to visit, support our small businesses and, hopefully decide Cook County is the place they would like to live!

Sincerely,

Pat
