First name: Kathy

Last name: Devlin

Organization:

Title:

Comments: Absolutely no. I'm a local from the Pacific Northwest 62 years old and raised here my entire life our corner is in national treasure 2 the Earth. I am 100% against this if there's anything else I can say or do let me know. I am already affected by this pandemic and being unemployed for years before my retirement what's no medical this is the last thing we need absolutely no.
