First name: Paul

Last name: Mariz

Organization: Pii Software, LLC

Title: President

Comments: I grew up in Bellingham in the 70s and 80s and so was introduced both to the logging industry as a way of life and the natural beauty of the Pacific Northwest as an environment in which we live. And from that perspective I tell you we cannot, in this day and age, at a time of catastrophe upon catastrophe, sacrifice these trees to further feed the engine of economic growth.
