Comments: Request for Comment on North Fork Nooksack Vegetation Management Project

Hi there, my name is Alex Meacham and I'm a reporter working with the Salish Current.

I was hoping that you would be able to put me in touch with the USDA / FS folks managing this project, specifically either Erin Uloth or Andrew Montgomery (who has been emailed directly).

I'd love to have a phonecall sometime before Monday, if possible. I'm available any time.

Thank you very much,

Alex Meacham
