Title:

Comments: Greetings! I am a college student who cares about protecting our ecosystems and human communities.

I strongly oppose the requested special use permit (SUP) and related Categorical Exclusion (CE) for geotechnical investigations in connection with Homestake Partners' proposed transmountain diversion of water from Homestake Creek in the Holy Cross Wilderness for the Whitney Reservoir project.

The requested SUP/CE would allow for up to a year of drilling, road construction, and cross-country travel by vehicles and equipment within the White River National Forest in support of the proposed reservoir and diversion project.

Thank you,

Rebecca Canright
