First name: Jack

Last name: Albertson

Organization:

Title:

Comments: Having lived in Colorado Springs, Aurora, and Fort Collins, and also in Leadville, Summit County and now Eagle, I see both sides of this dynamic. That being said, Front Range municipalities conservation efforts lag far behind their desire to build out-of-site, for them, storage facilities. Wilderness cannot just be rebuilt once it is disturbed/destroyed. Please stop the invasive drilling, please.
