Last name: Avooske

Organization:

Title:

Comments: I oppose the requested special use permit (SUP) and related Categorical Exclusion (CE) for geotechnical investigations in connection with Homestake Partners' proposed transmountain diversion of water from Homestake Creek in the Holy Cross Wilderness for the Whitney Reservoir project. Last weekend there was a moose just yards from our cabin, I don't want to disrupt the local wildlife and also don't want to minimize the opportunity to observe and appreciate the wildlife.
