Comments: Comments on North Fork Nooksack Project #58218.

Dear Mt. Baker District Ranger Uloth,

I'm writing to provide scoping comments for the North Fork Nooksack Vegetation Management Project #58218.

In my own words: trading tomorrow for profit today is what has led us to our climate crisis and western wildfire emergencies today. We need to preserve all intact ecosystems now.

I stand with the form letters that are being sent and I beseech you to do the right thing.

Thank you for the opportunity to submit public comments,

Heather Burns
