Comments: Comments on North Fork Nooksack Project #58218.

Dear Mt. Baker District Ranger Uloth,

I'm writing to provide scoping comments for the North Fork Nooksack Vegetation Management Project #58218.

The benefits of a healthy river far out weigh any considerations that might allow a clearcut at the source. Wake up to a new reality where we have a healthy environment.

Thank you for the opportunity to submit public comments,

Charles Nafziger
