Comments: To Whom It May Concern:

We would like the USFS to know that we are one of the closest adjoining land owners to the proposed Ice Creek expansion area and that we wholeheartedly support this application and proposed action. Purgatory Resort is a world-class, family-friendly resort, and the proposed Ice Creek action provides much needed beginner terrain to meet the needs of the resort's family clientele. This proposed action has been well-analyzed over over a decade of time...and the time has come to allow the resort to make these critically needed improvements.
