Comments: Comments on North Fork Nooksack Project #58218.

Dear Mt. Baker District Ranger Uloth,

I'm writing to provide scoping comments for the North Fork Nooksack Vegetation Management Project #58218.

I support opening the forests to clearcutting once again. Your plan for the Nooksack is logical, necessary, and takes all reasonable precautions to protect wildlife and people.

Thank you for the opportunity to submit public comments,

Sharon Westergreen
