Comments: It is great to see further investment into the trails around Tillman road. I love the idea of connecting Wolf Ridge to Tillman Ridge, as it will allow for complete trail access to Tillman Ridge. Tillman Ridge is perfect for mountain biking, as it is straddled on each side by easily traversed gravel roads. With the addition of a few trails and, later on, more parking on Tillman Road, the area will see wonderful appreciation by the riding and multi-use trail community.
