Comments: To whom this may concern: I stand against the Steamboat Ski Area Fish Creek Fall area expansion proposal for numerous reasons. 1. Is there a need to dedicate 200+ acres to the single use of commercial downhill skiing? 2. Most members of the community who have lived in Routt County did not choose to live here because it is one of the largest ski area in the world. 3.The proposed expansion will override many non-commercial uses such as hiking, hunting and enjoy nature. 4. The negative environmental demands of such development do not comply with the mission of the Forest Service. Thank you for considering this.
