Comments: Please do not direct the extermination of the American Bison - their recovery from the mass slaughter of not-so-long ago has been hard won, and must not be repeated.

As an American-born, voting, taxpaying citizen, I do not give permission to decimate MY bison on THEIR-MY public land. Get the cows and sheep back onto land purchased by the ranchers, with feed and water paid by the ranchers, and kept on that land by wildlife-proof, perimeter fencing. I have also NOT -and NEVER WILL - give permission for MY land to be appropriated for private use of any kind. Sanctioned cruelty will be remembered -
