Comments: Forest Supervisor Mary C. Erickson's preferred alternative has no standards securing habitat for American bison to roam. THIS IS UNACCEPTABLE!

Despite broad public and tribal support, Regional Forester Marten did not include American bison - denying them a designation for securing a viable population on your National Forests. THIS IS UNACCEPTABLE!

Bison are our National Mammal AND MUST BE TREATED WITH RESPECT!

It is your duty, to the citizens of the United States, to uphold and provide for the American Bison.

Please make sure to honor our National Mammal and give it the respect it deserves.

Thank you.
