

Data Submitted (UTC 11): 9/10/2020 12:09:51 AM

First name: James Marc

Last name: Beverly

Organization: Beverly Mountain Guides

Title: Owner

Comments: BMG is happy to see a progressive development in the Sandia Mountains and supports this effort. BMG acknowledges that there can be more opportunity for the greater community. A positive exposure for many, who will not otherwise have the opportunity, will greatly enhance the beneficence of the greater outdoors and will likely foster a respect and appreciation for natural resources from the user groups by having a bridge introduction. Education will be the key.
