First name: Bonnie

Last name: Yohe

Organization:

Title:

Comments: At this time in history, we, humans, must become the best stewards that we are capable of becoming to keep the earth thriving for all living here now, and for the future. Stewardship is our responsibility NOT being a consumer, a capitalist, a socialist, a Republican, a Democrat, etc.. Greed must not be the motivation when considering the earths' riches. Stewardship must be the leader. Please choose stewardship in the care of the Tongrass.
