First name: Jeffrey

Last name: Gee

Organization:

Title:

Comments: I own a local business in the Portal area. I have lived here since 1989. I first visited Portal in 1972.

I support the proposed ideas submitted by friends of cave creek organization. Their ideas are well thought out and would help to protect this beautiful canyon as well as provide locals and visitors with a quality experience.

I encourage the forest service to work closely with friends of cave creek.

Jeff Gee, Sky Islands Grill and Grocery.
