First name: Karen

Last name: Walmsley

Organization: Carbon County Resource Council

Title: Member

Comments: I would like to be a Interested Person in the continued process of the Custer Gallatin Forest Service Review Plan.

I participated along with other CCRC members in a sub committee that reviewed the forest plan and final EIS and helped formulate the most recent objection letter submitted by CCRC, dated September 8, 2020. I want to be able to address all issues put forth in this letter.
