I am an interested person and would like to participate and/or observe the following Objection Issues discussions:

Areas recommended for wilderness designation, location and boundaries of backcountry areas and recreation emphasis areas, and wild and scenic river eligibility.

Designated area and plan allocation land management plan direction (wilderness, wilderness study area, recommended wilderness, inventoried roadless areas, backcountry areas, recreation emphasis areas, key linkage areas and the Continental Divide National Scenic Trail).

Motorized and/or mechanized recreation access and suitability determinations in recommended wilderness, roadless areas, key linkage areas, and backcountry areas.

Land management plan direction and use of best available scientific information for wildlife including:

Bison habitat and management

Connectivity

Providing for diversity of all native species; recovery and conservation of federally identified species grizzly bear, lynx, and wolverine

Identification of species of conservation concern
