Comments: I am against Stibnite Gold Project EIS#50516!

Use the LICK CREEK ROAD to Yellow Pine rather than the Burnt Log Road!!!

FSR-447. For many reasons, Wildlife, South Fork of the Salmon River, Warm Lake, Nose of commercial vehicles, pollution. Going trough LICK CREEK ROAD, you would avoid the aforementioned above listed and it safer and shorter route.

Please consider my comment and extend the comment period to check this route.
