First name: Ronna

Last name: Brandt

Organization:

Title:

Comments: I'm going to admit that I'm a Boomer. There's a lot of us trying to keep our wits and bodies in as good a shape as possible after being stuck at home for so long! I bought an ebike because I'm just not as strong as I once was, but still love the trails and forests and will absolutely respect my surroundings and fellow bikers and hikers! We need to be able to respectfully share the space. Thank you,
