First name: Letty

Last name: Flatt

Organization:

Title:

Comments: E-bikes should be allowed on any trail a bicycle can. There is no difference with the bicycles as far as impacts on the trail. The riders of standard mountain bike can cause the same problems on the trails as an e-bike. Ride with respect. Be aware. Please allow e-bike access on any of your governed trails that allow bicycle use. We all can share the trails.
