Comments: I am in favor of allowing ebikes on Forest Service Roads and trails open to motorized vehicles. I am opposed to ebike use on trails presently closed to motor vehicle use. There are currently many miles of roads and trail that are open to motor vehicle use that could be used by ebikes. The speed and operating range of ebikes will cause conflicts with hikers and non-motorized bikers using trails. Use of ebikes will also cause additional disturbance to wildlife and erosion of trail surfaces.
