Comments: To Whom It May Concern,

I support your agency (Forest Service) adopting rules and regulations to allow E-Bikes on Forest Service Roads and Trails.

This is a great way to reach a much wider group of people who want to enjoy nature responsibly. E-Bikes allow the physically impaired and aging population to enjoy our Forest Service, trails and roads.

Your agency is to be congratulated for taking these steps to be far more inclusive to a much wider range of people.

Thank you,

Randy Roberts
