Comments: I ride an E Mtn bike, I would not be able to ride the trails I do if I did not have one of these. I have a knee that is close to replacement and a E Mtn bike has given me a new lease on life on the trails that I would not be able to ride other wise. The tracks I make are no different then the ones of a non E Mtn Bike. I would hope that you would not ban this type of Bicycle!
