Data Submitted (UTC 11): 10/2/2020 11:41:09 PM First name: Randy Last name: Eck Organization: Title: Comments: I strongly support and encourage this change to allow access to e-bikes on forests service lands. It believe it would benefit many, myself And my formity included. Thank you for menaging "our" public lands in this new ruling

And my family included. Thank you for managing "our" public lands in this new ruling.
