Comments: Absolutely 100% opposed to further development on Grand Targhee. Our county commissioners failed to hold Targhee accountable for the land swap in the original development. In my life I used to be able to watch moose, deer and mountain lions and wolves live. Now the bike traffic is so bad, not to mention the scar that each trail leave when uprooting forage to create a path, has now pushed the ungulates down hill and forced them on the road where they ultimately get hit by traffic. Secondly the traffic it self through Alta is very bad. Speeding, road rage and accidents.

Please keep the mountain as it is now so we can enjoy our Forrest in a more pristine way.
