First name: Ace

Last name: Bollinger

Organization: Wenatchee Valley Velo

Title:

Comments: Wenatchee Valley Velo represents a large community of cyclists. We encourage and promote ALL kinds of cycling... from Road, Mountain, and Gravel. We are asking the the USFS classifies e bikes into the 3 classes, and then allow for Class 1 (Pedal assist to 20mph) be allowed to travel everywhere else a bicycle is allowed. Class 1 bikes enable more people to enjoy our beautiful public lands.
