Comments: Gentlemen,

I am in favor of defining class 1,2,3 ebikes. This agrees and standardizes definitions with various other regulatory bodies.

I am in favor of permitting all classes of ebikes on any trail or road open to bicycle travel. I am 64 years old, an avid bike rider, and a recent ebike owner. I have been mountain biking for years, and I look forward to the using my ebike to access longer trails that I may not be able to enjoy as I get into my late 60s and 70s.
