Comments: I strongly disagree with the decision to make this area a wilderness area. There are many great trails that I enjoy riding my mountain bike on in the Manti-LaSal area. By changing it to a wilderness area, I will lose the ability to enjoy these trails and I do not believe it is fair to the mountain bike community. I hope you will be able to revise a plan to include the mountain bike community because ALL trail users deserve to use these trails, not just select groups. Thank you for allowing me to voice my opinion and I hope to be using these trails for a very long time.
