Comments: I'm writing today to express my support for allowing E-Bikes onto Forest Service managed lands.

I would like to see E-bikes regulated by 3 Categories, and that Class 1 (Pedal assist to 20mph) be allowed to travel anywhere a non e bike is allowed, as studies have shown that Class 1 e bikes don't do anymore damage to trails than non e bikes. Allowing E bikes will allow more people to access PUBLIC lands!
