Title:

Comments: Proposal inappropriate in scale and siting.Ridge

line development of Teton viewscape negatively

impacts all w/eyes.Many property owners have chosen their investment w/regard to that view.

Current haul roads across Peaked are example of visual degradation. Targhee has yet to develop site

ceded in last plan which was claimed as essential to business. Expansion into Teton Canyon for corporate benefit and those of public able to afford \$100 access feel not equitable apportionment
