Comments: I am in favor of allowing Ebikes on all non-motorized/mechanized trails in the USFS trail system. This allows many more people who would not be able to access these trails to do so. I am also in favor of expanding the trails network in the Gunnison National Forest because of increase use as manifested this past summer. In particular, I would like to see more mechanized and motorized trails developed. Ebikes are a trend of the future and need to be accommodated. It is silly for anyone to deny them access. They pose no threat to the trails that normal mountain bikes
